

New Forest Child Care CIC Safeguarding

NFCC are committed to safeguarding and promoting the welfare of children and young people and expect all who work with us to share these commitments. This commitment extends to all adults and children that visit or have contact with our sites.

NFCC takes any concern or suspicion very seriously and will act quickly and correctly following the procedure of the Local Safeguarding Childrens Board.

Each setting displays the relevant Local Authorities safeguarding information along with who to contact within NFCC if you have a concern. This can be about a child attending one of our Clubs, a member of staff or another child or adult who has contact with us.

To report a safeguarding concern or report a major incident contact our Designated Safeguarding Leads who are:

Emma Flaherty, Operations Director:

Mobile: 07795 468382. Email: emmaflaherty@newforestchildcare.co.uk

Claire Thompson, Senior/Executive Manager:

Mobile 07769 257584. Email clairethompson@newforestchildcare.co.uk

Please remember that anything that makes you uncomfortable should be reported.

Our full Safeguarding Policy can be found in our Policy & Procedures Manual which is available at each Club.
